

**Kingfisher Cabin** is the ideal retreat where you can relax and unwind in the peace and quiet of the countryside. It is situated in a secluded spot on the same farm as Newbourne Woodland Campsite. Your hideaway - although private and secluded - is not isolated, being on the edge of a lovely Suffolk village with an excellent old pub and a farm shop just ten minutes walk away.

The cabin started life as a showman's trailer, and has been sensitively modernised and extended to make a cosy and comfortable quirky holiday home for two. The decking overhangs a small spring fed reservoir and is surrounded by willows, reeds and bullrushes. Bird life abounds, and the cabin is named after the occasional visitor, the kingfisher. A family of moorhens inhabits the reservoir, which is populated roach and tench.

The cabin has a fully fitted and equipped kitchen and sitting room with wood burner. There is a store of logs in the log box outside which you are welcome to use during your stay. There is a CD player with CDs and radio, but no television or wifi - leave the world behind for a while ... The cosy bedroom has a small but comfortable double bed and has cupboard and hanging space. There is an electric shower and modern flush toilet; everything you could want for a tranquil stay in this beautiful retreat. Bedding and towels are also supplied. Upon arrival you will find a food hamper waiting for you, the best of the basics and a couple of little luxuries - just to keep the wolf from the door till you can tear yourself away to go shopping ...

There is a barbecue and fire pit outside, for those occasional warm evenings! One non-swimming, well behaved dog is welcome as long as you bring a dog bed and a lead. The surrounding countryside is ideal for walking, and there are many excellent footpaths and interesting places to visit nearby. We have local maps for you to borrow during your stay.

Kingfisher Cabin costs £70 per night, with a minimum of two night bookings - three on Bank Holiday weekends. Please telephone 01473 736201 or email [jenrisdale@gmail.com](mailto:jenrisdale@gmail.com) with any questions, or for enquiries about availability.

We look forward to welcoming you to Kingfisher Cabin.
